

Senior Pictures

Class of 2021

Seniors,

Congratulations! With the help and support of your family, you've come a long way to finally graduate this coming spring! This is a very big accomplishment that I am pleased to be a part of by photographing your senior pictures this year! Here is some information I hope you find helpful regarding senior pictures:

When: Senior pictures will be taken at Calvary Christian Academy from Tuesday, August 18th, 2020 to Thursday, August 20th, 2020. **The school has scheduled you on a specific day and time.** The schedule is attached to this email. Please let me know if you need to be rescheduled for a different day or time.

Cost: When you arrive to have your pictures taken you will need to bring your sitting fee with you.

Full Photo Session - \$40.00

Yearbook Only picture - \$20.00.

~*The Full Photo Session* includes the Yearbook Shots (see below for details) as well as an additional casual photo shoot where you can showcase your interests and personality. You may bring ONE change of clothes- keep in mind that simplicity usually works best so stay away from large patterns or distracting stripes or prints. Solids usually work well or something with a subtle pattern. Bold colors can also be somewhat distracting. We want your face to be the focal point of your pictures. Traditional styles will stand the test of time and keep your portrait looking fresh for years to come. Coordinate your outfit from head to toe because we will be doing different kinds of poses.

~***The Yearbook Only session is mandatory.*** You must at least have your yearbook pictures taken with us for the school yearbook. These photos are \$20.00 and include cap and gown shots as well as drape photos for girls and tux photos for guys.

Tips-

Guys will be photographed in a tux that we provide. The cap and gown will also be provided and for the guys it is dark blue and it shows your collar underneath so you may want to bring a dress shirt and tie for under it. Or you can use the tux shirt that we provide for under the gown or you can wear a polo shirt or t-shirt depending on how dressy or casual you want the pictures to be. Please remember to shave before you come, and note that I will not be editing out any 5 o'clock shadows for free.

Girls will be photographed in a black v-neck drape that we provide- you will need a white or nude colored tank top for underneath and be able to pull the straps down because the top part of your shoulders will show. We will also have the cap and gown for those shots. The cap and gown will also be provided and for the girls it is white and see through so make sure you don't have on anything with color underneath which could show up in your pictures.

*Some poses will show your shoes so don't forget to bring shoes & socks for each outfit that you plan to wear. Barefoot and sandals will work for your casual clothes. **Be careful with sunburn and/or tan lines* as they will show up in your pictures. Try to remember this for the whole week prior to your photo session.

*Props can help to show your personality and record the types of activities you are involved in. Be sure to bring some of your own props to your portrait session, i.e. musical instrument, sport jerseys, ball, helmet, bat, sports equipment, sunglasses, pom poms, newspaper, art supplies, class ring, etc.

Feel free to bring just about anything with you that can be photographed inside on a regular sized backdrop. **If you wear glasses*, consider being photographed without them or without the lenses because *sometimes a glare is created that cannot be fixed*.

*Don't experiment the day before your pictures with a new hair cut or style just in case it does not work out. Guys should make sure that they shave on the day of your session, five o' clock shadows don't look very nice.

What if I can't make my date and time scheduled for me?

There will be a senior photo "make-up" date sent out after school begins in the fall. Please let Toni Marie Photography know ahead of time if you will not be able to make your original date and time for senior photos in August so you can be added to an email list that will be notified about "make-up" dates at a later time. Thank you.

Payments:

*****Payments must be made in checks or cash.** All checks must be made payable to *Toni Marie Photography*. There will be a fee for any bounced checks. Thank you!

~ Package and Ordering information will be sent out after your photo session. Toni Marie Photography also offers private portrait and/or family sessions, so please don't hesitate to ask for further information if you are interested! These sessions are offered at a discount to the Calvary families and seniors who schedule a private session in the month of August and September.

See you soon!

Warmly,

Toni
