Social Media and Communication in Athletics

Calvary Christian Academy Athletics: Social Media Policy and Use

Calvary Christian Academy Student-Athletes are expected to represent themselves in a Christ-like manner while using different social media platforms. CCA Student-Athletes not only represent themselves, but their respective Teams, Coaches, Families, Ministry, and The Lord.

CCA Student-Athletes are expected to interact with fellow student-athletes, opponents, coaches, officials, and fans in a way that is glorifying to the Lord on social media platforms. Any violation of this is subject to consequence, from both CCA and CCA Athletics. Any activity that is not meeting these standards should be reported to CCA Athletic Director Shawn Bramble immediately. Social Media activity must also follow CCA Student Handbook Policies and NFHS, PIAA, and BAL rules.

Additional policy information and required signature can found on the next page

Communication Between CCA Coaches/Student-Athletes

School-approved coaches and extracurricular activity leaders can communicate, only with parental permission, through the “Remind” app (or similar apps specifically cleared by the Athletic Department and Administration) and text messaging for information-giving or activity related purposes only. Personal communication should not take place. Approved informational or activity related purposes would include checking on an injury status, notifying of last-minute schedule changes/cancellations, and checking on the welfare of a student in a situation where they are unaccounted for, late, etc.

In the event a coach provides a phone number to student-athletes to meet the standards above, student-athletes should only be using this resource for emergencies, information-giving, or activity-related purpose or communication.

I agree to allow communication following the above guidelines between my son/daughter and their respective coach/coaches.
