Course Selection Info Update: 2021-2022

Course selection final decisions will be made based upon the students year-to-date average grade at the end of the 3rd marking period. Course selection is a long process, which must begin at the beginning of the 4th marking period in mid-April. We cannot wait until the end of the school year to make decisions regarding course selection. Student's placement in Essentials, College Prep, Honors and Advanced Placement will be based upon his/her performance in the first 3 marking periods of this 2020-2021 school year. We have researched other schools and have found this to be the average time of student's assessment and class placement. Please join with us in reminding the students to be diligent in their studies and to not wait until the end of the school year to manage their grades.

Reminder from the Nurse

Please remember that all students in 11th grade need a physical exam form turned in. Also, all students in 7th grade need a dental exam form turned in. Both the physical and dental forms are available to be downloaded on the [Nurse's Forms—Health Policies](#) page on the CCA website.

If your student needs to carry an inhaler, a medical consent form must be filled out by the parent, as well as the prescribing physician, and kept on file in the nurse's office.
