Course Selection Info Update: 2021-2022

Course selection final decisions will be made based upon the students' year-to-date average grades at the end of the 3rd Quarter. Course selection is a long process, which must begin at the start of the 4th quarter. Students' placement in Essentials, College Prep, Honors, and Advanced Placement will be based upon his/her performance in the first 3 quarters of this 2020-2021 school year. We have researched other schools and have found this to be the average time of students' assessment and class placement. **If a student's year-end grade drops below the prerequisite grade, he/she may lose a spot in an honors/AP class.** Please join with us in reminding the students to be diligent in their studies and to not wait until the end of the school year to manage their grades.
