# Summer School Offerings 2021

Below are a list of websites for online credit recovery. If a student failed a core course for the year, he/she must take a recovery course over the summer. You may also call your local school district for their summer school offerings.

All transcripts for successful recovery must be received at the Jr./Sr. High School by August 20th.

All courses chosen for Credit Recovery must be specifically labeled as Credit Recovery courses and/or described as **full course** options. Students may not choose a .5 credit or 1/2 Semester course to fulfill his/her summer school requirement. If the option is provided, the student must choose the full course. 1/2 Semester courses will only receive .5 credit and will not fulfill the credit recovery requirement.
