### Technology Tips

This month's article briefly discusses the dangers of internet pornography and why parents must be proactive in this important battle. One quote from the article is "We have to realize that if we are going to give our kids access to the Internet in the privacy of their own bedrooms, then we have virtually invited every seedy activity of those same mean streets into the comfort of our own homes with virtually no accountability."

<http://licensetoparent.org/2017/10/dangers-of-pornography/>

### Reminder from the Nurse

Please remember that all students in 11<sup>th</sup> grade need a physical exam form turned in. Also, all students in 7<sup>th</sup> grade need a dental exam form turned in. Both the physical and dental forms are available to be downloaded on the [Nurse's Forms—Health Policies](#) page on the CCA website.

If your student needs to carry an inhaler, a medical consent form must be filled out by the parent, as well as the prescribing physician, and kept on file in the nurse's office.

Please be sure to provide an updated immunization record to the nurse, should your student receive any immunizations.
