ELEMENTARY
APPLICATION

Calvary Christian Academy

Educating Disciples of Christ Ephesians 4:12-13

Dear Friend,

Thank you for your interest in Calvary Christian Academy. Enclosed you will find our student application packet along with information regarding our school's history, mission, and philosophy of education. Please take a moment to read about our school before filling out the application.

Our school was created to partner with like-minded families to train up young men and women to be disciples of Jesus Christ. It is our desire to provide a well-rounded education that will equip all students to use what they learn to serve the Lord.

If you choose to fill out the application, please complete all of the components necessary for us to proceed with the process of reviewing the application. If you have any questions concerning this information, please call us at 215-969-1579 during the school day between the hours of 8:00 a.m. to 4:00 p.m.

May God bless you as you seek His guidance in making a decision concerning the education of your child/children.

Sincerely,

CCA Administration

Calvary Christian Academy Overview

Mission Statement

Our mission is to share in the ministry of Calvary Chapel by offering Christian education from a Biblical worldview, while partnering with parents who have the God-given responsibility to educate their children. We desire to raise up disciples for Christ by promoting academic, social, and spiritual excellence. Equipping students to become a transforming influence on the world for Christ is at the core of a CCA education.

Ephesians 4: 12-13

History

Calvary Christian Academy was founded in September of 1995 as an educational ministry of Calvary Chapel Philadelphia. The primary goal was to work with Christian families to educate and disciple godly young men and women. The school initially began as a PK through 8th grade school and soon after added 9th through 12th grades in 1997. In 1998, CCA graduated its first class and since that time has seen students enroll in over 100 different colleges and universities including University of Pennsylvania, Pennsylvania State University, Calvary Chapel Bible College, Liberty University, West Point Military Academy, Johns Hopkins University, Cedarville University, Temple University, University of Pittsburgh, and Grove City College. CCA received full accreditation from the Middle States Association of Colleges and Schools and the Association of Christian Teachers and Schools in 2012. Our academic programs are designed to meet the learning needs of the honors student, college prep student and the student working at a more basic level. Special education services are provided in accordance to our special education program and handbook. School electives and after school programs provide opportunities for CCA's students to hone the gifts the Lord has given them in areas of the fine arts, athletics, computer science, and the culinary arts. In 2015, Calvary Christian Academy celebrated 20 years of serving Christ's kids.

Diversity and Marriage Statement

Calvary Christian Academy believes that an individual's first responsibility is to the God of the Bible and that a person's whole life should reflect His framework in a context of peace and selfless love. CCA asserts that a genuine love for and interaction with diverse peoples is a biblical mandate. Moreover, Calvary Christian Academy recognizes that we are all one in the body of Christ. Our standard for diversity is found in the Bible. Individual differences in lifestyle that deny, ignore, or reject biblical standards represent diversity in rebellion to God's standards and hence, are unacceptable for the families of CCA. CCA holds to the beliefs as stated in the King James Version of the Bible and asserts that marriage is the union between one man and one woman, and that from the beginning of the creation God made humans in two distinct sexes, male and female.

Statement of Non-discrimination

It is the commitment of CCA to provide Christian education by and for God's elect, holy and beloved, according to the faith of God's elect, and the acknowledging of the truth that is after godliness, and in that context and for that purpose does not discriminate on the basis of race, color, sex or ethnic background. This policy of non-discrimination is exercised during student admission, hiring of faculty and staff, and all school-administered programs.

CCA's Philosophy of Education

CCA's Philosophy of Education is based upon a biblical worldview that has been developed out of a literal interpretation of the Bible, as presented in the King James Version. It is impossible to disconnect our learning and development from the power and purposes of our Creator God. At the very core of CCA's worldview and philosophy of education is God's Word. It is the foundation of CCA's philosophical framework. From the origin of man to ethics and morality, we believe all logic and reasoning is based upon the tenets of Scripture. It is upon this premise that Calvary Chapel of Philadelphia built and developed Calvary Christian Academy. The governing bodies of both the school and the church are in full agreement with CCA's Philosophy of Education.

CCA's Philosophy of Education is based upon our biblical worldview and not upon the philosophy of man. All truth is God's truth. God's Word is truth according to the Scripture (John 17:17, KJV) and according to the conviction of the Holy Spirit. As such CCA's Philosophy of Education is defined by the master teacher himself, Jesus Christ. Teaching should be personal and individual. All methods, instructional practices, activities, and assessments should be geared toward allowing learners to better understand the knowledge of God and be better prepared to serve the Lord through successfully navigating and interacting with the world around them. We are set apart for God by understanding His truth; therefore, God must be at the core of all the principles, facts, and truths we teach.

CCA develops the curriculum and programs of the school based upon a biblical worldview, which assures the knowledge gained will be based upon God's truth and not just the correlations made by respected men and women of science, history, mathematics, and language. While these respected individuals have made vast contributions to our understanding of the world around us, our understanding is not complete until we filter it through God's Word. Our knowledge of God and His Word should cause us to fear no vain philosophy or body of knowledge. We have real truth in our hearts and in Scripture and with such knowledge and truth we should be able to disprove the fake and vain philosophies of the world. The better we know the creation, the better we know the creator. With a strong biblical worldview, the disciplines of math, science, history, and language are but a mere platform for believers to express the goodness of God, the truth of His Word and to praise Him for His many blessings. Psalm 19:1 states, "The heavens declare the glory of God; the skies proclaim the work of his hands" (NIV).

Philosophy of Educational Technology

CCA desires to align all its practices and policies with Scripture and within the philosophy of our mission statement – "to raise up disciples for Christ by promoting academic, social, and spiritual excellence. Equipping students to become a transforming influence on the world for Christ."

We desire to provide an environment where all our students can learn and grow in truth, that is, to learn and grow in God's Truth, the truth of Scripture and the truth of the Gospel, the good news of salvation through Jesus Christ. Teaching is both an art and a science. While research science has provided us with proper pedagogy, the creative minds of teachers have provided us countless avenues to engage the minds of our students. At CCA, Jesus provides us the perfect example of a master teacher. Jesus told stories; He used parables, relatable earthly stories, to reveal heavenly truths for godly living. Jesus asked questions. He utilized

illustrations and object lessons, describing unselfish giving after watching a widow drop two coins into the temple offering. Teachers at CCA seek to model Jesus in their teaching. Beyond all else, teaching at CCA is personal. It is the personal and spiritual nature of a CCA education that enables us to raise up disciples of Christ. Teaching at CCA is so much more than just academic.

Educational technology is a tool used to promote good teaching and to enable effective communication. Just as the Industrial Revolution transformed production, communication, and enhanced innovation, so too has the revolution of technology transformed our ability to communicate, collaborate, present object lessons, and pull visual illustrations off the page into 3 and 4 dimensional examples of the intricacy of God's order and design in creation. Technology has become a common form of communication at work and within context of home and family life as well as in education and higher learning. The implementation of educational technology at CCA is done with purpose and restraint, always keeping in mind the developmental stage of the child and appropriateness/benefit of any given piece of technology.

CCA's website and teacher websites are used primarily as a tool to communicate policy, procedure, and upcoming events. Teacher websites take it a bit further by communicating what is being taught and the types and due dates of assignments and assessments. Google Classroom is used by teachers to provide a platform for real time submission of assignments, teacher communication & feedback, and remote collaboration amongst students. It also provides a safe place for discussion posts that offer opportunity for all students to have a voice. Calvary secures and monitors students online. This is nonnegotiable. Whenever a student logs in under a Calvary domain or Calvary Cougar GMAIL, our Go Guardian software monitors and safeguards online activity. Students are monitored here at CCA and on any other piece of technology outside school in which they log in using their CCA emails. PowerSchool is another piece of educational technology that is used to create student schedules, report cards and transcripts as well as allow parents to have a real time window into their children's grades and progress. Beyond the scope of technology as a tool and the next level pencil and paper, teachers will utilize technology to promote study, such as Kahoot, Quizzlets or Kahn Academy. They will pull up Google Earth to engage students in the wonder of God's creation. Teachers will not utilize technology to replace face-to-face teaching. CCA maintains that the best teaching practice, as Jesus has lived out as an example to us, is personal. Technology at CCA will always be but a mere tool to enhance and support the growth and development of its students so that we graduate disciples of Christ - disciples that are equipped spiritually and academically, able to use reason and intellect to become a transforming influence on the world for Christ.

Non-Academic Special Needs or Severe Learning Disabilities

CCA is a ministry of Calvary Chapel of Philadelphia and has limited resources to educate its students. Due to our limited resources, CCA may be unable to properly educate students with non-academic special needs or severe learning disabilities. We reserve the right to deny admittance and attendance to students whom we feel we cannot offer a sound and complete education. This decision may be made at any point during the application, interview, or acceptance process, or during the school year based upon information received.

IMMUNIZATION REQUIREMENTS

The Pennsylvania Department of Health revised the immunization requirements for students effective August 2017. This revision replaced the 8- month provisional period for immunizations with the new requirement of a 5-day provisional period.

All students must have all immunizations completed within the first 5 days of school.

If the student is in the middle of a series and it is too soon for the next dose, the parent must provide the school nurse with a plan for immunizations (signed by a health care provider) within the first 5 days of school. If the student has incomplete immunizations and no medical plan, the student will be excluded from school.

These requirements allow for the following exemptions: medical reasons; religious beliefs; or philosophical/strong moral or ethical conviction. A signed, dated exemption must be on file in the nurse’s office.

If your child is exempt from immunizations, he or she may be removed from school during an outbreak.

<p>Children in ALL grades (K-12) need the following immunizations for attendance:</p> <ul style="list-style-type: none"> -4 doses of tetanus, diphtheria & acellular pertussis (one dose on or after 4th birthday) (DTaP, DTP) - 4 doses of polio (4th dose on or after 4th birthday & at least 6 months after previous dose given (IPV) - 2 doses of measles, mump & rubella (MMR) -3 doses of hepatitis B (Hep B) -2 doses of varicella (chickenpox) or evidence of immunity (history of chickenpox or antibody titer) 	<p>7th thru 12th grade- additional immunization requirements for attendance:</p> <ul style="list-style-type: none"> - 2 doses meningococcal conjugate vaccine (MCV4) <ul style="list-style-type: none"> - first dose prior to entry into 7th grade - a second dose is required at age 16 or prior to entry into 12th grade - if the student received the first dose after age 16, only one dose is required - 1 dose of tetanus, diphtheria & acellular pertussis (Tdap) <p>* bold text indicates a change from previous years</p>
---	--

The vaccines required for entrance, 7th grade, & 12th grade continue to be required in each succeeding school year.
