Dual Enrollment Approval Form

What is Dual Enrollment?

Dual enrollment is the process of being enrolled in two separate, academically related institutions. At CCA students can dual enroll by taking courses online, at a community college or through part time attendance at a vocational school. Full-time students utilizing dual enrollment must be enrolled in at least three CCA classes.

***Do not register or pay for a course without submitting this form and receiving administrative approval.**

Registration Deadline:

Students **MUST** have Dual Enrollment registration completed by the end of the Drop/Add period which ends after the first five days of school. After the first five days of school, students are no longer allowed to DROP a class and REPLACE it with a Dual Enrollment class. Students will NOT receive a Dual Enrollment Study Hall without evidence of enrollment (Enrollment Verification).

Does CCA offer Dual Enrollment Recommendations?

Dual enrollment is optional. If asked, we will always recommend the student's local community college. Beyond the local community college, most CCA students that have dual enrolled have utilized Cairn University, Grand Canyon University, Liberty University, and Florida Virtual School. We ask that students and families take time to do their own research and submit your request through this form. We do not have a list of pre-approved courses and schools as there are too many available options.
