

## OFFSET TAX DOLLARS you already owe

### How EITC Scholarships Work...

Its costs \$350 or less to provide a \$3,500 scholarship to Calvary Christian Academy using tax dollars you already pay! The EITC program designates your PA state tax dollars to be scholarships for qualified students at Calvary Christian Academy. Instead of PA politicians deciding how to spend your taxes, you are in control and can support Christian Education and the implementation of school choice.

### QUALIFY

Companies and individuals with a PA state income tax liability of \$3,150+ (household annual income of \$100,000+) are eligible with a minimum participation amount of \$3,500. Don't make \$100K or more annually? Consider local businesses you support and ask if they would help Calvary Christian Academy!

### BENEFIT

PA tax law provides businesses and individuals with a tax credit of 90% of qualified contributions to be applied as scholarships for under-resourced students. That means if you or your business contributes \$3,500 to Calvary Christian Academy, the state returns \$3,150 back to you in tax credits!

### BLESS

Through the EITC program, your tax dollars can make a difference in the lives of students by affording them the opportunity to be taught and disciplined in a purposefully Christ-centered, Bible-based, Christian school. CCA students graduate with a solid foundation of the Truth of God's Word and the love of Christ. They enter their next chapter undergirded and prepared to share the good news of Jesus Christ within their next sphere of influence.

Please consider joining us in supporting this ministry by offsetting your PA tax dollars in support of Calvary Christian Academy.
