If every time slot does not fill, I will then move your child to an earlier time slot.

**Full Photo Session Sitting Fee** - \$40.00 Graduation and Casual pictures–

- The Full Photo Session includes the Yearbook Shots (see below for details) as well as an additional casual photo shoot where you can showcase your interests and personality.
- Props can help to show your personality and record the types of activities you are involved in. Be sure to bring some of your own props if you are getting casual photos, i.e. musical instruments, sport jerseys, sports ball, helmet, bat, sport's equipment, sunglasses, pom poms, newspaper, art supplies, etc. Feel free to bring just about anything with you that can be photographed inside on a regular sized backdrop.

Or

**Graduation Sitting Fee** - \$20.00. ~The Yearbook Only session is mandatory. You must at least have your yearbook pictures taken with us for the school yearbook. These photos are \$20.00 and include cap and gown shots as well as drape photos for girls and tux photos for guys.

**Tips for Everyone:**

- Please wear the clothes you would like for the casual photos (if you choose the Full Photo Session). Please keep in mind that simplicity usually works best; we do not recommend large patterns or distracting stripes or prints. Solids usually work well or

something with a subtle pattern. Bold colors can also be distracting. We want your face to be the focal point of your pictures. Traditional styles will stand the test of time and keep your portrait looking fresh for years to come.

- Coordinate your outfit from head to toe because we will be doing different kinds of poses depending on how dressy or casual you want the pictures to be (for Full Photo Session).
- Be careful with sunburn and/or tan lines as they will show up in your pictures. Try to remember this for the whole week prior to your photo session.
- If you wear glasses, consider being photographed without them or without the lenses because sometimes a glare is created that cannot be fixed.
- Don't experiment the day before your pictures with a new hair cut or style just in case it does not work out. Young men should make sure that they shave on the day of your session.

### **Tips for Young Men:**

Young men will be photographed in a tux that we provide. The cap and gown will also be provided for the young men; it is dark blue and it shows your collar underneath, so you may want to bring a dress shirt and tie for underneath. You can use the tux shirt that we provide for under the gown or you can wear a polo shirt or t-shirt depending on how dressy or casual you want the pictures to be.

### **Tips for Young Women:**

Young women will be photographed in a black v-neck drape that we provide. You will need a white or beige colored tank-top underneath and be able to pull the straps down because the top part of your shoulders will show. We will also provide the cap and gown for those shots. It is white and see-through, so make sure you do not have on anything with color underneath which could show up in your pictures. Barefoot and sandals will work for your casual clothes.

**Q.** *What if you can't make the date and time that is scheduled for my photo session?*

**A.** There will be a senior photo "make-up" date sent out after school begins in the fall. Please let *Alexis Amiet Photography* know ahead of time if you will not be able to make your original date and time for senior photos in August so you can be added to an email list that will be notified about "make-up" dates at a later time.

### **Payments:**

When you arrive to have your pictures taken, you will need to bring your sitting fee with you (cash or check payable to Alexis Amiet Photography). A **Sitting fee is the initial charge** for photo taken; packages/prints are separate. There will be a fee for any returned checks.

**Package and Ordering information** will be sent out after your photo session.

More information to come regarding:

- **Makeup Day** will be August 26<sup>th</sup>
- **Retake Day** will be October 6<sup>th</sup>

*Alexis Amiet Photography* also offers private portrait and/or family sessions, so please do not hesitate to ask for further information if you are interested!
