Calvary Christian Academy

Name: _____

Technology Registration

Please fill out the information below if you will be bringing in personally owned technology into the CCA classroom.

*__Keep in mind that you already agreed to the Technology Acceptable Use Policy by signing off on the Parent/Student Handbook.__

Students are encouraged to bring in their personal technology to be used for note taking and study related organizational tools. **Students may not use their technology or personal data plans for personal use during the school day.**

Type of Device Laptop/iPad/Tablet	Make	Model
Ex: Laptop	**Apple**	**Macbook Air**

CCA is not liable for personally owned technology that is lost, stolen or damaged. CCA will not reimburse for lost or stolen technology. Nor will CCA be able to fix or troubleshoot damaged technology. Technology that is brought into CCA is solely the responsibility of its owner.

Student Wireless Internet Access Form

Wireless Internet Rules and Regulations:

- Students may NOT share their log on information with anyone. (If they are experiencing technical difficulties, they should report to the High School Office.)
- All Internet activities must be Academic and related to class work or homework.
- Students may NOT access any form of social media (Facebook, Twitter, Vine, etc) through CCA WiFi or through their own data plans during school hours. This policy is in our Parent/Student Handbook.
- Students may NOT use this Wireless Internet Access to multitask, study, or work on **other** assignments while in any one class. Any activity on a personal device must relate to the class they are in at that time.
- **Wireless Access will only be available from 9:00am until 3:00pm Monday through Friday.**
- Students may NOT use the Internet Access to stream/watch videos.
- Students may NOT use the Internet Access to play games unless directed to by the classroom teacher for Academic purposes.
- Students must seek permission from their Homeroom, Study Hall, Lunchroom or Elective Teacher before using their technology and wireless access in class.
- Unless given a specific assignment or direction to do so, students must request permission from their core subject teachers to use the Wireless Internet Access in their class. (This is as easy as having a discussion with each teacher about what/when is appropriate to research during each individual class.)
- CCA does have software to monitor what students are doing online. This will be monitored randomly and when requested by a teacher due to a specific concern.
- **CCA has Zero Tolerance toward infractions to the above stated Rules & Regulations as well as toward any infraction of the CCA Technology Acceptable Use Policy as stated in the Parent/Student Handbook.**
- CCA DOES have Filtering Software that protects our Internet. This software blocks access to pornographic sites, gambling sites and protects from viruses.
- CCA is NOT LIABLE for lost, stolen or damaged student devices that are brought into CCA.

Your signature below validates that you have read and understand the Rules & Regulations of Access to the CCA Wireless Internet.
